# MOTHER'S DAY, DINOSAURS, FAREWELL PROGRAM

**WEEK 1 (5/1, 5/3-5)** We will be working on a surprise for Mother's Day. We begin our dinosaur unit as we look at the many shapes, sizes, and names of dinosaurs who lived long ago. For Show & Tell, children should bring an object with a "word" on it they can read in context, i.e.. MILK on the milk jug,  TONKA on a toy truck, words on the cereal box, their name on something, a lettered T-shirt. Have fun with this.

**WEEK 2 (5/8, 5/10-12)** Our dinosaur unit continues with dinosaur facts and history. Our Community Play Center will become a Restaurant—fast food and fine dining. On Thursday May 11, 2017, the PreK class will walk to the Conrad Weiser East Elementary Center Library. While we are there, we will also tour the Kindergarten classrooms, playground, and enjoy our snack in the school cafeteria.

**WEEK 3 (5/15, 5/17-19)** We will be taking a look at the school year in review as we put the finishing touches on our Farewell Program.

**WEEK 4 (5/22, 5/24-26)** On Wednesday, we would like to have a class and family picnic following our Farewell Program. A sign-up sheet with more details will be hanging in the hallway. We hope everyone can attend! Thank you so much for your contributions and participation. Show & Tell is one of our favorites as we take a look at something the children made at Prekindergarten this school year.

**Farewell Program  
Wednesday May 24,  
2017  
11:00 am**

We hope you can join us for our Farewell Program. Children should be brought to school at the normal time. Our Program will be held in the Nave (upstairs) of the church so there should be plenty of room for seating everyone. Following the program we will have our class/family picnic at the Wernersville Playground.
