

HEALTHY TEETH, & VALENTINE FRIENDS

For Dental Health Month we will talk about keeping our teeth healthy with proper brushing, eating healthy foods, and dental check-ups. And for a little excitement we will read about Shark Teeth!

We will talk about St. Valentine's Day as a time to show friends you care. Each week we will focus on one aspect of being a good

friend. If your child would like to bring Valentines for his classmates, a list is attached. Please send them in by Tuesday February 13th.
