

MARCH
2021

SHAPES, St. PATRICK'S DAY, COMMUNITY HELPERS, AND EASTER

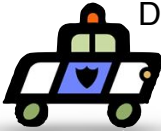

What's happening this month . . .

WEEK 1 (3/1,3,4) We continue to read simple stories about Jesus, the teacher, healer, and friend on Mondays during Lent as we follow His journey to the cross. Our shape this week is Circle.

We begin our Community Helpers Unit with a look at those who help keep us well.

WEEK 2 (3/8,10,11) Our shapes this week are Triangles and Diamonds. Our Community Helpers are those who keep us safe.

WEEK 3 (3/15,17,18) This month we will read about the real St. Patrick, in addition to leprechauns and rainbows. Our Community Helpers build and fix things. Our shapes are Squares and Rectangles.

WEEK 4 (3/22,24,25) Could spring be on its way? As we read the Jesus stories which follow the church seasons of Lent into Easter, we also read Easter Bunny stories and look for signs of spring.

Our Community Helpers take us places.

WEEK 5 (3/29,31,4/1) We enter Holy Week and will make up a snow day on Thursday April 1. We will prepare our Easter baskets and hope the Easter Bunny hops by over break. We will celebrate Easter when we return on Wednesday April 7 and/or 8.

But first, some **APRIL FOOL'S DAY** fun—on Thursday April 1 we will have Backward Silly Day. We will reverse our daily schedule and children can wear something silly or backwards (i.e. funny hair-do, two different shoes or socks, inside-out shirt, etc.)
