# EASTER, SEEDS, EARTH AND SPACE

PICTURE DAY  
MONDAY APRIL 19

- On Monday we will have our individual and class pictures taken. If you plan to purchase pictures, please send in your attached money envelope. The photographer will include all children when taking pictures, but only prepaid orders will be filled. Safety protocols will be in place.

**WEEK 1 (4/1)** We will make up a snow day on Thursday April 1. We will celebrate Easter when we return on Wednesday April 7 and/or 8.

As we warned last month, we'll have some **APRIL FOOL'S DAY** fun—on Thursday April 1. We will have Backward Silly Day. We will reverse our daily schedule and children can wear something silly or backwards (i.e. funny hair-do, two different shoes or socks, inside-out shirt, etc.)

We continue to read simple stories about Jesus, the teacher, healer, and friend as we follow His journey to the cross.

**WEEK 2 (4/7,8)** We celebrate Easter, the miracle and joy of new life, as we begin our Seed Unit.

**WEEK 3 (4/12,14,15)** Please help children find an interesting seed for Show & Tell as you prepare food, walk outside, or start a garden. We want to look at how many different shapes and sizes of seeds there are and talk about what they grow into.

**WEEK 4 (4/19/21/22) MONDAY IS PICTURE DAY.** Also, we begin our Unit of Earth and Space. By now spring should be in full swing, so help your child find a sign of new life for Show & Tell as we celebrate our Earth.

**WEEK 5 (4/26,28,29)** We finish the month with more about the Sun, Moon, Planets, Stars and Astronauts.

Preschool Registration for fall 2021 In mid-April you will receive the simpler registration form for enrolling your student in their 2nd or 3rd year with Trinity Preschool.

We hope to have scholarship money available to lower your monthly tuition rate. A Scholarship application and details will be included in the registration packet.

General first-time registration packets are also available for younger siblings, friends, and neighbors—just ask.
