Mrs. Franzen and Mrs. Steffey

TRINITY LUTHERAN
PRENSCHOOL

WEEK 1 (5/3,5,6) We will be working on a surprise for Mother's Day. Our stories and songs will be about how much moms love us, take care of us, and how we can help mom.

For 5/5 Show & Tell, children should bring in two objects that rhyme (sock, clock). Look around the house and start rhyming; you'll be surprised how many pairs are there!

WEEK 2 (5/10,12,13) We begin our dinosaur unit as we look at the many shapes, sizes, and names of dinosaurs who lived long ago. For 5/12 Show & Tell, children should bring an object with a "word" on it they can read in context, i.e.. MILK on the milk jug, TONKA on a toy truck, words on the cereal box, their name on something, a lettered T-shirt. Have fun with this.

Preschool Registration for fall 2021

General first-time registration packets are available for younger siblings, friends, and neighbors—just ask.

WEEK 3 (5/17,19,20) Our dinosaur unit continues with dinosaur facts, names, and history.

WEEK 4 (5/24,26,27) On Monday we would like to show you some of the ways we learned during our Fresh Air time. It will be a celebration of our time together. We hope you can attend. Closer to the time, we will send out an email outlining our Health and Safety guidelines for gathering in the worship area.

Show & Tell is one of our favorites as we take a look at an art project the children made at Preschool this school year.

Parent/Teacher Conferences

I would like to discuss your child's checklist and progress with you in person (with masks and social distancing). I will be emailing a sample of times for the week of May 17th and you can text or email what works for you.

MAY Dates to remember . . .
