

OUR PURPOSE

The purpose of Trinity Lutheran Preschool is to assist a child in his/her total growth: spiritually, physically, mentally, emotionally and socially. The setting is one that is equipped for learning. The child is given opportunity for creative expression and growth in confidence and self-worth through play and work, through investigating and sharing. Each child grows at his/her own pace under guidance that combines a balance of freedom and controls.

Christian attitudes and concepts undergird the entire program. There is also a measure of carefully planned Christian teaching at the level of the child's understanding. The school is open to all, regardless of race, color, national origin, or religion.

ADMINISTRATION

Trinity Lutheran Preschool is directed by the Preschool Board of Trinity Evangelical Lutheran Church, Wernersville, and is a ministry of the Congregation.
